Burnside Update

8 January 2019

From One Sue to Another

Happy New Year and welcome back to Bridge for 2019.

This Tuesday is Sue P's last time directing at Burnside and I want to thank her for all she has done over many years. I hope I can continue to provide you all with a pleasant afternoon of Bridge every Tuesday.

Venue Update

After the proposed significant increase in hiring fee for the current venue, I did investigate alternate venues. The only other suitable venue I could locate over the end-of-year break was with the Burnside Council. However, that venue is only available during school holidays. This means that Bridge will continue to be held at the current location of the Burnside City Uniting Church.

Alternate Venue for January 15

Please note that the church hall is not available on 15 January 2019. The Burnside Council have provided us an alternate venue in the Civic Centre - Spaces 2 & 3. Play will start at the usual time of 12:45.

Table Fee Increase

Due to the significant increase in the cost of hiring the playing venue together with other additional costs that I incur (board dealing, Bridgемate hire etc), I am obliged to increase the table fees by \$2 per player.

Membership

All players at Burnside should be members of at least one affiliated club. If your Home Club in 2018 was Sue's club, *Bridge In The City*, then you are encouraged to transfer over to *Bridge Around Adelaide*. Of course, if you also play at Sue's other venue at Edwardstown then you may choose to retain *Bridge In The City* as your Home Club.

Fee Structure

<i>Table Fees</i>	
<i>Member</i>	\$10
<i>Non-Member</i>	\$11

<i>Membership Fees</i>	
<i>Home Club Member</i>	\$30
<i>Non-Home Club Member</i>	\$10
