

Bridge Around Adelaide Burnside Update 14 January 2020

Welcome Back

Happy New Year and welcome back to Bridge for 2020. I am pleased to announce that there will be no change to table fees this year.

Membership & Fee Structure

Membership is now due. As for table fees, there will be no change to the membership fees for this year. I would also remind everyone that all players at Burnside must be a Home Club member of an ABF affiliated club. This is for insurance purposes.

<i>Table Fees</i>	
<i>Member</i>	\$10
<i>Non-Member</i>	\$11

<i>Membership Fees</i>	
<i>Home Club Member</i>	\$30
<i>Non-Home Club Member</i>	\$10

New Look Australian Women's Team

At the Women's Playoff in December, Sophie Ashton – Lauren Travis, Jessica Brake – Susan Humphries, Marianne Bookalill – Jodi Tutty were the winners. Whilst Marianne & Jodi have been in the Women's team before and Susan has represented New Zealand in the Women's, this is the first time for the other three. The four youngsters promptly followed this up with a win in last week's Nation Women's Teams. An excellent effort and something that augurs well for Australian Women's Bridge into the future.

Quiz Night Fundraiser

The first outing for the aforementioned team will be at the APBF Congress in Perth in April, partially funded by the ABF. To help offset the expense, Lauren will be running a Quiz Night at the Adelaide Bridge Centre on 21 March. The night is 7:00 pm for 7:30 pm and is just \$10 pp. Check out the flyers for more information.

SABF Teams-of-Three

If you are curious about how teams Bridge works, SABF are running a teams-of-three event at SABA from 1:00 pm on Sunday, 29 March. There will be three match and each member of the team will get to play with the expert assigned to the team. You may enter as a single or organise a couple of friends and enter as a team. For just \$15 pp this is great value. By the way, I will be one of the experts on the day.

Happy Bridging
