COVID Restrictions Update

I am sure you will all be pleased to hear latest COVID restrictions have been amended, to say "Physical distancing, or social distancing principles apply. Every person should attempt to stay at least 1.5 metres from other members of the public. However, this does not apply to people who live together, who are friends or family members, or people who regularly associate with each other."

SABF Newsletter

The latest SABF Newsletter is now available on the SABF website. It is full of interesting information and well worth the read.

Club Championship

This month, red Masterpoints will be awarded as part of the Club Championship. This is an eclectic event with the best 3 results for each pair being used to determine the winners. So you don't have to play every week to win. Good luck to you all.

Bridge At Beaumont Birthday Congress

Due to COVID, most of the congresses this year have been cancelled. However, this one is going ahead on Sunday, 15 November. More details are available on the website <http://bridgeatbeaumont.com>.

Helping the Environment

Just a reminder that the disposable cups that I supply are compostable so please place in the organics bin not the normal rubbish bin.

Happy Bridging
