### COVID Restrictions Update

As of Monday, 14 September we are back to the 1 person per 2 square metre rule. However, there is still the requirement to keep social distance when standing – 1.5m.

When arriving, players are required to sign-in. Either use the QR code (preferred) or on the sign-in sheet near the front door.

### ABF & SABF Newsletters

The latest editions of these newsletters are now available on the ABF & SABF websites, respectively. They are full of interesting information and well worth the read.

### January Restart

22 December will be the last session for 2020. Play will recommence on Tuesday, 12 January 2021. I wish you all a safe & happy Christmas & New Year. I will still need to know that there are sufficient players available to run the sessions so please advise by 10 January whether you plan to play.

### Beginner Classes – SA Bridge Assoc. Bridge Week

If you know of anyone wanting to learn to play, the SA Bridge Assoc. is running classes from 4 January – 8 January. These 4-day course covers all the information normally spread out over 8 weeks. It is a great opportunity to introduce children & grandchildren to the game.

Happy Bridging
