

Bridge Around Adelaide Burnside Update 12 January 2021

Happy New Year & Welcome to 2021

May this year be much better than the last!

Winners Circle

Due to there being insufficient rounds played in December, no monthly winner was declared.

COVID Restrictions

These remain the same:

- 1 person per 2 square metre rule. However, there is still the requirement to keep social distance when standing – 1.5m.
- When arriving, players are required to sign-in; either use the QR code (preferred) or the sign-in sheet near the front door.

ABF & SABF Newsletters

The latest editions of these newsletter are now available on the ABF & SABF websites, respectively. They are full of interesting information and well worth the read.

Annual Membership Due

As the ABF have reduced their affiliation fees for 2021, the rate for **Home Club** members will be reduced by \$5 to **\$25** for 2021. **Non-home Club** member rates will remain the same at **\$10**.

Happy Bridging
